

Susquehanna County Historical Society & Free Library Association Meeting Room Use Policy

(October 2018)

The Susquehanna County Historical Society & Free Library Association serves all of Susquehanna County. The Board of Trustees believes that meeting space should be made available to members of the community, providing that such use does not interfere with Association activities.

These regulations establish policy and procedures for the use of the Susquehanna County Historical Society & Free Library Association public meeting rooms, which are available in the Montrose Library and the Historical Society locations.

Procedures

1. Association public meeting rooms are maintained primarily for use by the Association. If a meeting room is not scheduled for an Association-related function, members of the public may apply to use the rooms. Each event request is considered on an individual basis according to the overall number of pending requests, staffing implications, and Association priorities. Events that extend outside of standard operating hours will be available only if Association staff are available.
2. The Association provides meeting rooms for members of the public on an equitable basis regardless of beliefs or affiliations of groups requesting their use on a first-come, first-served basis. Permission to use an Association meeting room in no way constitutes an endorsement by the Association or its Board of Trustees of the policies or beliefs of the organization or individuals using the facility. No advertising or announcement implying such endorsement is permitted.
3. Meeting rooms may not be rented for private functions, like birthday parties, wedding/baby showers, etc.
4. All groups must complete an Application for Public Use of the SCHS&FLA meeting rooms. Application forms are available at each location with a meeting room and must be submitted at the location where the meeting will take place. Forms are also available on the Library website at www.susqcolibrary.org or the Historical Society website at www.susqcohistsoc.org. The date of the meeting should not be more than 6 months in advance of the date the application is submitted.
5. Meeting room applications must be made in advance. The individual applying for the meeting room must be at least 18 years of age and must agree to the terms and conditions for use of the room and accept legal and financial responsibility for the use of the room. The Library Administrator and/or the Curator will work in consultation with staff to review and approve or deny all applications based on the Public Meeting Room Policies.

The group's representative will:

- o Have a Susquehanna County Library card in good standing (no outstanding charges attached to the card), or hold a membership in the Susquehanna County Historical Society;
- o Complete the Meeting Room Application/Meeting Room Use Agreement;

- o Pay the rental fee in advance;
- o Provide accurate and complete contact information to the Association and serve as the sole point of contact for the Association and attendees about meeting room concerns;
- o Attend the meeting and stay in the meeting room from the beginning to the end of the meeting to monitor use and ensure that Association policies are followed;
- o Check in with staff prior to the meeting and check out with staff at the end of the meeting to provide the Association with a count of the number of attendees and verify that the room has been returned to its original condition.

Fee Schedule

During regular hours of operation, the fee for non-profit groups is \$25 per event. An additional charge of \$15 per hour will be charged for each hour after regular hours of operation.

Profit groups will pay \$25 per hour for regular hours of operation, and \$50 per hour for each hour beyond regular hours of operation.

Groups holding events that occur at least monthly will pay an annual fee based on predicted use.
